COMMUNITY NEWS

Our pressure washing project is nearly complete, and we're thrilled to have the community looking fresh and clean! Up next, we'll be replacing the dog park fence. We're working on finalizing a concrete start date and will share some details as soon as they're available. Stay tuned!

MAINTENANCE TIPS

Reminder: Keep your dryer safe and efficient! Clean the lint trap before or after every load, and don't forget to regularly clean the dryer vent duct to prevent lint buildup, which can be a fire hazard. Stay Safe!
