

COMMUNITY DIRECTOR UPDATE JULY 1, 2026

COMMUNITY NEWS

Our vendors have been diligently working to improve our community. We have the front gates being painted and concrete work being done around the community. We also will have some stucco repairs for the buildings that need it done. We are excited to see our community improvements!

MAINTENANCE TIP

Keep all blinds and curtains closed during the peak heat hours (typically 12:00 PM – 5:00 PM) to prevent the greenhouse effect in your home.
