

COMMUNITY DIRECTOR UPDATE SEPTEMBER 1, 2026

COMMUNITY NEWS

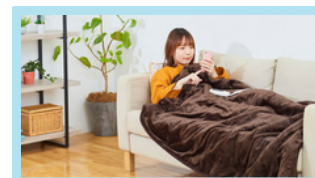

Our landscapers have been super busy giving our community a much-needed tree trimming. They have completed the necessary trimming and landscaping Maintenance. Our vendor has also finished stucco repairs on the buildings around the community.

Our next project will be the pool resurfacing project. **Our pool will be closed starting October 1, 2026.** We apologize for the inconvenience this may have caused, this is a necessary project as the pool needs to be resurfaced. If you have any questions or concerns about the pool project please do not hesitate to contact the leasing office.
