

COMMUNITY DIRECTOR UPDATE OCTOBER 1, 2026

COMMUNITY NEWS

Our Pool is closed for the season. We have the pool needing to be resurfaced. We appreciate your patience and understanding during this project.

We would also like to remind all pet owners that all pets exercised outside need to always be on a leash. Also pet owners need to be picking up after their pets as well. Failure to do so will result in a lease violation. We appreciate your time and consideration, If you have any questions or concerns please let the leasing office know.

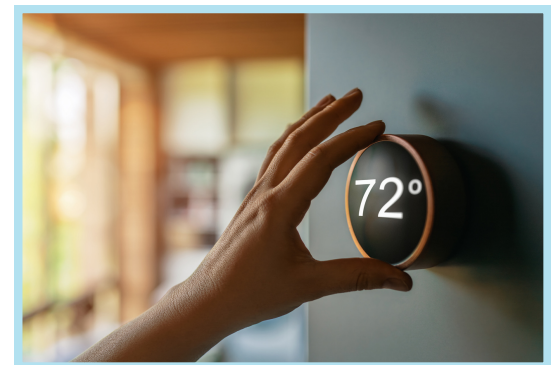

MAINTENANCE TIP

Test safety devices: Press the test button on your smoke detectors and carbon monoxide alarms. Replace the batteries if the sound is weak.

RESIDENT REVIEW

"I was very impressed with how quickly maintenance staff addressed this problem! I also really appreciated Luis taking the time to call me and describe the steps he took to fix the AC. My home is now a comfortable temperature inside despite the hot weather outside. Thank you!"
