COMMUNITY DIRECTOR UPDATE DECEMBER 1, 2026

COMMUNITY NEWS

We are so happy to have another great year with all of our residents. We want to remind everyone that the disposal of Christmas trees takes place at 1300 E. Corral Ave, Kingsville TX 78363. They can be dropped off December 28, 2026-January 31, 2027. Please do not put the trees in the trash cans. We appreciate you making Hunter's Cove your home. Wishing you all a Happy Holidays surrounded with all your loved ones.

MAINTENANCE TIP

Maintain steady heat throughout the winter months to help protect your home from freezing temperatures. Even if you're traveling or away for the holidays, keep your thermostat set to at least 65°F (18°C). Maintaining a consistent indoor temperature can help prevent pipes from freezing and bursting, reduce the risk of costly water damage and ensure your home stays protected during cold weather. A little heat goes a long way in keeping your home safe and comfortable while you're away.
