Community Updates and Stories | FEBRUARY 2019

PAST EVENTS

First Friday Breakfast was so much fun in January & February - we hope you will join us in March!

UPDATES

The pest control schedule is posted on our community boards and everyone who has not had appliances and lighting upgrades should receive a notice for scheduling in February and March.

TIPS

The weather is warming up which means we will be turning on our AC and battling mosquitos sooner than we'd like! Make sure you have appropriate clothing and repellents.
