HUNTER'S COVE NEWS & STORIES

Spring is Here & the Pool is Open!

We hope that you enjoy the updated pool deck and new canopy at the picnic area and would like to remind you to carry your pool pass when you come out.

Last Month's Events

In March we partnered with NASK MWR and United Through Reading in order to bring you Wreck it Ralph movie night and it was a huge success! We are happy to announce that will be bringing back movie night in June and that Hunter's Cove will soon become a permanent United Through Reading Station! Call or come by the leasing office today for more information.

Seasonal Tips

As the summer months are quickly approaching, we want to remind you to be cognizant when you are outside using your barbecue grills. Charcoal and gas grills are designed for outdoor use only.

However, the National Fire Protection Agency reports that more than one-quarter (27%) of home fires started by outdoor grills began in a courtyard, terrace or patio, and 29% started on an exterior balcony or open porch. It's important that you pay attention to where your BBQ grill and spent coals are placed and that it is far away from all structures and overhanging tree branches.

Maintenance Updates

- The pool is open for your enjoyment. Our new pool hours are Tuesday - Sunday from 9am - 8pm.
- Stop by the office and ask for a new air filter. Changing your filter regularly will help your AC run more efficiently and keep you cool during the summer months.

Have You Seen Us Working Late?

We have changed our Maintenance Technician schedules and extended our office hours for the summer. Maintenance will now be on site until 8 pm taking care of work orders and emergencies and the Leasing office will remain open through 6pm in order to better serve you.
