HUNTER'S COVE INSIGHTS

NEWS & STORIES

Our President's Message

I want to welcome you to the first ever President's Message. I'm excited to have this opportunity going forward to fill you in on some of the things happening at Hunt Military Communities nationwide, and to tell you a little bit more about our employees and our dedication to you, our residents. 58% of our employees have some personal military

affiliation. They are either retired military, a veteran, spouse, or was a military child. This special bond with the armed forces allows us to understand first-hand some of the challenges military families face, and helps drive our desire to take care of everyone who is a part of a Hunt Military Community. At Hunt, an important part of our job is to share our endless gratitude with our residents. Staff shows their appreciation for residents in a variety of ways. From weekly get-to-know-your-neighbor events to partnering with military nonprofits, our mission is focused on giving back to our residents who give so much, and to the communities that support them. Hunt is committed to supporting positive change for our residents, employees and our neighboring communities through efforts that are focused on military issues, health, education, housing, and community betterment. We know you have a choice in where you want to live, and we are grateful you trust us to serve you.

Best,

John Ehle
President
Hunter's Cove Communities

Mother's Day is May 12th

Rose Kennedy said "What greater aspiration and challenge are there for a mother than the hope of raising a great son or daughter?"

We have so many great children as part of our community that we know all of the mothers here deserve a little extra recognition on this day for doing such a fine job.

Resident Appreciation Week - A new Yearly Tradition at Hunter's Cove

We Scheduled a week full of events that we thought would help to show our appreciation for choosing to make Hunter's Cove your home. Events include Donut Stress about it Monday, Taco-bout it Tuesday, Willie Wonka Wednesday, and Ma-Day Friday. Participation has been great last year and we look forward to seeing everyone out this year.

Suggestion Box Anyone?

We love to hear from you and understand that busy lives business hours and sometimes shyness can get in the way of letting us know what you think. In an effort to better serve our residents we are going to be putting a suggestion box in the foyer of the community room and hope that everyone will take advantage and share their thoughts with us.

Wear Blue Run to Remember

This Memorial Day, wear blue: run to remember invites you to join thousands of runners, worldwide, to honor the fallen family members and the sacrifices they've made and, continue to make. wear blue: run to remember serves as a moving memorial for all those who have lost their lives protecting our freedoms and is a reminder of support for the families they've left behind. Whether it's been days since they last saw their loved ones, or years, you have the opportunity to help us honor those the most heroic men and women from this great nation and all those they left behind. Commit your mile's today and invite your friends to join the movement. #wbr2r#runinremembrance #for the fallen <http://www.wearblueruntoremember.org/memorial-day/>

Resident Representative

Do you think you would be interested in becoming a Resident Representative for our community? This is a new program for Hunter's Cove and volunteering would help to structure and shape the program to fit the needs of our community. Your commitment would be fulfilled by simply attending 1 bi monthly meeting where you can express your thoughts, ideas, concerns, and always be in the know!

If you are unsure if this is something you want to dedicate your time to, stop by and ask some questions, we understand lives are busy, and asking for more information or even joining our information session will not commit you to future meetings.
